## **Commission's Response to the Coronavirus Health Emergency**

Health experts have identified “social distancing” as necessary to contain or halt the spread of the coronavirus pandemic that is threatening our population throughout the country and world. In light of Orders from the Governor of Maryland and Chief Judge of the Maryland Judiciary, the Commission on Judicial Disabilities’ physical office will be closed or minimally staffed until at least April 6, 2020. While we continue to do our best, there will unavoidably be delays in acknowledging and processing complaints, responding to requests for information, returning phone calls and conducting business as usual. To reach the Commission directly, please leave a message in the general mailbox at (410) 694-9380 and staff will try to respond within twenty-four (24) business hours (Monday through Friday). This information will be updated as necessary. Thank you for your patience and understanding.

The Honorable Michael W. Reed, Chair- Commission on Judicial Disabilities
